

## BIOGRAPHY

Paul Kwitek is a Music Producer and Composer who defines a vast musical landscape. Integrating infectious groove-based dance music with the sounds of nature, exotic instrumentation, immersive soundscapes and ethnic world vocals. His techniques have resulted in unique musical experiences that are laced with visual imagery, raw energy and emotion.

Paul Kwitek's journey into the world of music composition and production began very early, His first introduction to music was at the the age of 8 when his parents signed him up for music theory classes. During the late 1990's Paul immigrated to Toronto Canada to start a new life which was also the beginning to his music Career. In 2000 he completed his diploma in Audio Engineering Technology and went on to study more music theory at Frederick Chopin's Music school in Mississauga, Canada.

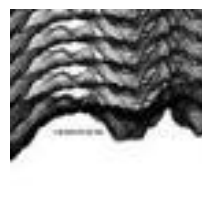

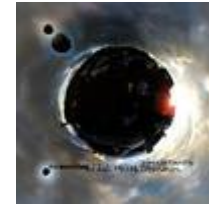

Since then, Paul has been relentless in writing a constant stream of very well received compositions. Paul Kwitek is always expanding his musical range by crossing over different stylistic and musical genres and coming up with a unique and versatile sound which he describes as World Electronic Music

The right elements of sound and production have enabled a number of successful collaborations with Grammy award winning band Deep Forest, World Award recipient Wes Madiko known for his work on the Lion King Films, Legendary Mongolian Tuva singer Sainkho Namtchylak, Neah who is best known for her lead voice in The Phantom of The Opera. Beside regular studio production and releases Paul Kwitek is a Professional Dj who has been booked at events across the globe sharing the bill with Moby, Skrillex, Infected Mushroom, Goldie ,Dub Fx , Christopher Lawrence just to name a few . in 2013 Paul has begun a new music project entitled Hemisphere which focuses on the experimental side of Ambient electronic music . Presently Paul continues to write new music and is working on a live concert which will Debut in Lublin Poland later this year.

In 2016 Paul was recognised for his talent and received two Gold Record Certifications for his remix Of Deep Forest's Sweet Lullaby , and His Debut Studio Album "Qualia"
